Flats	8	47	7.67	360

¹The quantity sold for all pots is a derived number. The total number of pots sold was derived by adding the total number of pots <5 inches and pots >5 inches together.

²The average wholesale price for all pots is derived by dividing the value of sales at wholesale by the total quantity sold.

³Not available for the break-out of pot sizes.

⁴None is 2001.
